Saturday, June 8<sup>th</sup> 2024

- Rules:** This race is governed by the current Racing Rules of Sailing except as modified by the STYC General Sailing Instructions (GSI), these Sailing Instructions, and the USCG VTS Navigation Rules.
- Eligibility and Entry Deadline:** This race is open to STYC members with PHRF-NW ratings who wish to race in handicapped classes. Non STYC members with a valid PHRF-NW rating are eligible to enter provided the skipper is a member of a PIYA or US Sailing accepted club. Entries must be received on the STYC website ([www.styc.org](http://www.styc.org)), no later than 2400, on the Wednesday before the race. See the GSI for the late entry policy. Non-members and Associate Members must submit a \$35 entry fee with the completed entry. Valid PHRF-NW certificates must be received by the regular registration deadline, or at the time of registration for late entries.
- Divisions and Starting Times:** There will be both NFS and FS divisions. Official start times will be listed with the class breaks on the STYC website ( [www.styc.org](http://www.styc.org) ) by 1800 the Friday before the race.

GPS time is your official start time. The Race Committee will make no sound or flag signals during the start sequence except for OCS or delays. All boats, regardless of division or class, will start in reverse order based on the Time on Distance handicapping method. The slowest rated boat(s) will start first and the fastest rated boat(s) will start last. Approximate start times are listed below.

PHRF Rating	Start time
0	11:56:05 AM
60	11:42:37 AM
120	11:29:10 AM
180	11:15:42 AM
250	11:00:00 AM

**Delayed Start:** If the Race Committee does not start the race as scheduled, the Answering Pennant (AP) accompanied by two sound signals will signal the delay. A numeric pennant showing the number of the delay will be displayed in addition to the Answering Pennant (AP). Each delay will last for 30 minutes. For instance "AP" and the code pennant "1" delays the start by 30 minutes. "AP" and the code pennant "2" delays the start by 60 minutes. In the case of a delay, all competitors are responsible for adjusting their individual starting times. Once the race sequence has begun, there will be NO postponements for any reason. There shall be only a maximum of two 30-minute postponements of the starting sequence, after which the starting sequence shall commence.

- Race Distance and Course:** This race will use the three marks S, J, and M; more details are listed below. You may round the marks in any order and in either direction. The start and finish line will be between the N buoy and the Committee Boat. It may be crossed in either direction. If no Committee Boat is present then use the yellow painted rock on the sea wall as the eastern end of the line. For the purpose of calculating individual start times, the course length is 13.460 nautical miles. There is no provision for shortening the course.

- GSI # 15. Ship Canal restricted area: Sailboats may not sail inside the Ship Canal area as defined by the following three lines: From the south end of the Shilshole breakwater northwestward to buoy C "1" (Green Can #1); From buoy C "1" southwestward to buoy N "2" (Red Nun #2); From buoy N "2" southeastward to buoy N "4". These buoys are located approximately 0.25 miles SE of the red and white Ballard Blinker Buoy. A boat that enters this area may not correct her error, and will be scored DSQ. (This amends RRS Rule 28.1.) This area ranks as an obstruction.
  - GSI # 18. Starting and finishing: The start line is between an orange flag on the Race Committee Boat and the pin end of the line. After starting, boats may not pass between the Race Committee Boat and the pin except when finishing or when specifically directed to do so by the individual Notice of Race.
